## ABOUT ME

Hi, my name is Jessica Nicol and I am a Design and Information Systems student from Brisbane, Australia. I will graduate QUT at the end of 2019 with a bachelor of Information Technology (Information Systems) and a bachelor of Fine Arts (Interactive Visual Design). I am a passionately creative person with a drive to learn. I pride myself on my ability to communicate with others in the workplace. I can't wait to enhance and create new and exciting user experiences all over the world.
